### 3.3 When You need Emergency medical Treatment

If a **Hospital** admits **You** for **Emergency** medical **Treatment** or if the **Hospital** that is treating **Your Emergency Medical Condition** tells **You** that **You** need to be evacuated to another medical facility for **Treatment**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible.

- is covered by Your Group Plan
- cannot be treated adequately locally, and
- requires immediate In-Patient Treatment

They will make all the necessary arrangements to have **You** moved by air and/or surface transportation to the nearest **Hospital** where appropriate medical **Treatment** is available.

**Our Emergency** assistance service will also ensure that any **Eligible** costs at the destination, such as admission costs, are settled directly with the **Hospital**.

#### Step 5

Once **You** have received **Your** medical **Treatment**, if **Our Emergency** assistance service agrees that it is necessary, they will make all the necessary arrangements to repatriate **You** to **Your** appropriate destination, provided that **You** are medically fit to travel.

#### Important notes:

We will only pay for Evacuation costs that have been authorised and arranged by Our Emergency assistance service.

We will not pay for Your Evacuation costs if the Evacuation is directly or indirectly related to a Medical Condition which has been specifically excluded on Your Certificate of Insurance, or to any other Medical Condition or event specifically excluded in Your Group Plan.

# 3.4 What must I provide when making a claim?

Please make sure that You complete all the forms We ask You to.

**You** must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed for **Day-Patient** and **In-Patient** (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

#### 3.5 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**.

There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

#### 3.6 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

# 3.7 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell Us on the claim form if You are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, You must repay Our outlay in full; or
- if You recover only a percentage of Your claim for damages You must repay the same percentage of Our outlay to Us.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Plan** may be cancelled in line with section 8 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

### 3.8 You have a Co-Insurance on Your Group Plan

Any **Co-Insurance** applicable is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

A **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Group Plan**.

A **Co-Insurance** is a percentage payment made by **You** towards the cost of an **Eligible** claim per **Period of Cover**. For example, if an **Insured Person** has 20% **Co-Insurance** applicable on **Eligible Out-Patient Treatment** and the claimed amount is USD 100, then the **Insured Person** will have to pay USD 20 and **We** will pay USD 80 towards this claim.

You need to submit Your claim form and bills, so We can administer Your Group Plan correctly.

### 3.9 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Group Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will Endeavour to convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

#### 3.10 What currencies can claims be made in?

# 4.2 Pre-Authorisation

Pre-Authorisation is mandatory for all In-Patient, Day-Patient Treatment and Diagnostic Procedures (Benefit 2) under this Group Plan.

For planned **Treatment**, **You** must contact **Our** customer service team on T +971 (0) 4450 1410 or email ClinicalService@now-health.com, at least 2 working days before **Treatment** starts.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service on +971 (0) 4450 1440 or email ClinicalService@now-health.com as soon as possible and prior to discharge.

Your Group Plan with Us will only cover Reasonable and Customary Charges for Treatment that is Medically Necessary. It is important that You contact Us before Treatment for Us to confirm if such Treatment is Eligible under Your Group Plan.

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**.

Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.
