## How to use **your plan?**

*We've designed our plans to be simple for your group members to use and for you to manage with our state of the art digital tools.*

	<b>Accessing In-Patient Treatment:</b>	<p>If one of your group members needs to be admitted to hospital for day-patient or in-patient treatment, they must contact us first to request treatment pre-authorisation. We will then place a guarantee of payment with the medical provider so they don't need to pay anything.</p>									
	<b>Find a Medical Provider:</b>	<p>Before seeking treatment your group members can use our Find a Medical Provider Tool to find a medical provider. This can be accessed online via:</p> <ol style="list-style-type: none"> <li>1)  <a href="#">Our website</a>,</li> <li>2)  Our smartphone '<a href="#">Now Health' App</a> available for iPhone and Android; or</li> <li>3)  <a href="#">Our secure online portfolio</a>.</li> </ol>									
	<b>Accessing Out-Patient Treatment:</b>	<p>If you select a plan that includes default out-patient co-insurance benefit, your group members can find an out-patient direct billing facility within the SimpleCare UAE Network for their treatment.</p>									
	<b>Make a Claim:</b>	<p>If your group members have paid for out-patient treatment and need to submit a claim for reimbursement, they can do this in one of two ways, either via:</p> <ol style="list-style-type: none"> <li>1)  Our <a href="#">smartphone App</a> for iPhone and Android; or</li> <li>2)  via <a href="#">their secure online portfolio</a>.</li> </ol> <p>They simply need to complete the online form and remember to attach any receipts or diagnostic reports. Your employees will receive a notification to acknowledge receipt of their claim and they can track the status on their secure online portfolio.</p>									
	<b>Manage your information from anywhere:</b>	<p>Our secure online portfolio is designed to make it easy to access all your plan information in just a few clicks.
